### TERMS AND CONDITIONS

This is a federal computer system and is the property of the United States Government. It is for authorized use only. Users (authorized or unauthorized) have no explicit or implicit expectation of privacy. Any or all uses of this system and all files on this system may be intercepted, monitored, recorded, copied, audited, inspected, and disclosed to agencies, both domestic and foreign. By using this system, the user consents to such interception, monitoring, recording, copying, auditing, inspection and disclosure at the discretion of authorized site or United States Government personnel. Unauthorized or improper use of this system may result in administrative disciplinary action and civil and criminal penalties. When accessing a system that contains personally identifiable information, users should adhere to the rules of behavior. By continuing to use this system you indicate your awareness of and consent to these terms and conditions of use.
